

"...And one thing more: prepare a quest room for me, because I hope to be restored to you in answer to your prayers."

— Paul, in a letter to Philemon

Personal Retreat Opportunities for Pastoral Leaders

Free Midweek Guest Lodging

Creating open space to refresh mind, body and spirit is a healing practice God intended all to experience for

their well-being. And sometimes pastors just need to get away from the demands and expectations of others for a brief time to experience that "Sabbath rest."

With God's ministry leaders in mind, we've set aside certain guest rooms specifically for pastoral vacations. This lodging is available — for FREE! — during the week (Monday through Thursday nights), after Labor Day up to Memorial Day.

■ Ordained or Licensed Leaders

This special offer applies to all active licensed or ordained pastors, pastoral team leaders and overseers from any of the various denominations of the historic Christian Church.

We invite you to come alone, or bring your spouse and entire family with you to this sanctuary in the Poconos.

A natural setting for rest

With access to over 800 acres, our woodland setting with mountain streams and waterfalls creates an ideal environment for ...

- Hikes or times of prayer and reflection in the woods
- Uninterrupted rest
- Relaxing with your spouse and family
- Concentrated biblical study away from your office and normal routine
- Extended solitude for prayer and fasting

Three lodges available

Three lodges have been reserved for your pastoral retreats. However, if you have a favorite room or lodge that you prefer instead, we can certainly reserve that for you as it comes available.

• Acorn Loft:

The upper level of Twin Oaks Lodge, on the building's south side, is a comfortable apartment featuring two small bedrooms, living room and kitchenette. Bed space consists of a double, single bunk and queen pullout sofa.

• Oak Loft:

The upper level of Twin Oaks Lodge, on the north side, is a cozy one-room apartment featuring a small kitchenette, queen bed and living room area with porch overlooking lawns and campground.

• Stone Terrace:

This home-style lodge allows the flexibility of choosing just one room for personal solitude, or up to four rooms for family members. The favorite choice of most folks is the spacious front room with the fireplace. Kitchen facilities are located in the lower level.

Dining Options

The kitchenettes in each of these lodges are fully stocked with most utensils you'll ever need for preparing your meals and snacks, including refrigerator and stove.

You're also welcome to purchase any meals being served in our dining room while you're here, or you may want to go out to enjoy some local restaurants.
