Dear Discoverer Camper,

We've received your registration for **Wilderness Camp 2008!** Whether this is your first or second camp experience, we know you are looking forward to your adventure up here in the mountains. Whether you are here for a half or a whole week, we are ready to have a fun experience!

During your experience you will have two counselors assigned to your tent to enjoy life at camp with you. Days will be filled with opportunities to develop skills and experience new things. Many activities such as the waterslide, kayaks & mini-zipline will be scheduled as tent groups giving you a variety of activities to enjoy together as a small group. Several activities, like Fireside, Recreation Hour & other special camp activities will be scheduled as camp wide events. Our theme this summer is "**Live Light!**" and we want to help you discover some great spiritual lessons while you are here.

There is also a Parent Information Sheet with some important information for your parent(s) and a Health & Safety Form which needs to be filled out and sent in at least 3 weeks prior to camp. We can't fully register you at camp without it, so make sure it is sent in ahead of time. *If you ride the bus bring your money & Health Form (if not sent in), and medications to the Bus Registration.*

WHAT TO BRING: *In addition to your clothes 4-5 for weeklong or 2-3 for Mini-Week, please bring:*

Pillow & Sleeping Bag	Unbreakable plate, bowl & cup	Bath Towel
