Pointing People Toward Christ

Spruce Lake is a place where GOD is at work! Here in the heart of Pennsylvania's Pocono Mountains, GOD called this life-giving ministry into being in 1963. Today, continuing confidently within the call of Christ, we are committed to offering you attentive, outstanding service in the spirit of gracious hospitality. Here you can breathe deeply, be restored, have fun, rest, enjoy the company of others, pray in solitude — whatever you need for drawing closer to God and to each other can happen here!
