

# Salary Assistance Program

## Who benefits from the SALARY ASSISTANCE PROGRAM (SAP)?

The SAP gives individuals and churches the opportunity to supplement the weekly salary of summer ministry teams serving Spruce Lake and Pinebrook.

## How does the SALARY ASSISTANCE PROGRAM work?

There is no limit to the amount of support a summer team member may raise. SAP funds will be paid one installment in August.

## What are the team eligibility requirements?

We look for persons who are excited about serving in Christian ministry, and are flexible, energetic, genuine followers of Jesus. We do all the appropriate background checks even for returning team members.

## Who can be a sponsor?

A sponsor can be an individual, church or church-related group that wants to participate in our mission through financial support of the designated team member.

## How are support funds submitted?

Support contributions may be made **online January 1 through July 15** at either [sprucelake.org/give](http://sprucelake.org/give) or [pinebrook.org/give](http://pinebrook.org/give).

Or, complete and tear off the SAP Commitment Form below, and send it with a check, payable to Spruce Lake or Pinebrook, in the amount of your TOTAL support contribution. We must receive the Commitment Form and check by **July 15**.

## What if the team member leaves?

If someone does not complete their intended term of service, then we will place this money into the Staff Endowment Program to support other new and returning summer team members.
