

Printable Trekkers Details (ages 10-12)

Trekker Camps focus on the uniqueness of the preteen age group. These weeks will provide campers with the opportunities to explore new interests, try new skills, and enjoy a bit more independence in choosing certain activities. Activity choice will occur within the tent group unit and also individually within the morning U-Pick-It electives.

Tent group activities include morning "Life Search" devotionals, kayaking, mini-golf, swimming, the big water slide, group games, power swing, crafts, sports, Fireside worship, and a special late-night event - one for guys and one for gals!

Daily U-Pick-Its provide choice in personal electives that include archery, drama, leather crafts, climbing tower, mini-zipline, the Survival Game and more. Each day ends by playing hard during Recreation Hour, then enjoying Fireside, a time for lively singing and worship, with sharing by the week's camp pastor.
