

Master's Option

ELEVEN6

Academic enrollment is made possible through our partnership with Eleven:6, an organization that designs and launches custom university-grade leadership and discipleship training programs with a growing network of churches, Christian camps, mission agencies, and other faith-driven organizations.

Integrated Design

Take what you are studying and apply that to the fast-paced environment of camp. Find unique ways to integrate your work with assignments and projects!

Program Outcomes

Upon completion of the MA Christian Leadership (ACU) or MA Organizational Leadership (CSU) program, students will be equipped to exercise effective leadership within an organization across an intentional framework of mission-driven leadership skills. Success will be demonstrated in the exercise of the following competencies:

- Exercise of mission-driven leadership that encourages and facilitates collaborative learning at all levels of the organization.
- Application of a solid understanding of organizations that creates and maintains a productive community of learners.
- Development of comprehensive organizational strategies using skills in evaluation, adaptation and integration of new and existing strategies for efficient and effective pursuit of organizational goals.
- Recruitment, development, and mobilization of employees and volunteers as effective teams.
- Coordination of board and administrative team activities for creation and maintenance of maximum organizational productivity.
- Effective and prudent planning and oversight of all financial aspect of a nonprofit organization.
- Development and management of a comprehensive, responsible risk management policy
