## **CONTENTS: EVERYTHING YOU NEED TO KNOW FROM REGISTRATION TO DISMISSAL**

### **EMERGENCY COMMUNICATION**

If you have an emergency and cannot get through to the Day Camp office, first try the director's cell phone at 215-933-9521 and then call the Retreat Center 570- 595-7505 x1 or 800-822-7505 x1 and ask if they will be able to contact Day Camp by radio.

Please rest assured that in the event of a communications breakdown such as a power outage, regional crisis, or national incident we are doing everything in our power to care for your child.

### **HEALTH CARE AND ACCIDENT INSURANCE**

**Camper Health Form** – This is a significant form that we need to help ensure your son/daughter's well-being during their time at camp. The *Health Form* includes emergency contact information and health related information.

**Health and Safety policy- *A completed health form and a parent agreement is required for your child to participate fully in camp.*** The health form provides us with information required to care for your child and the parent agreement gives them permission to participate; both must be signed and fully completed.

- **If it is not completed online: Please bring the Camper Health Form with you on the first day of camp.**
- You may attach a copy of your child's immunization records and both sides of your insurance card.
- You are responsible to provide health and safety updates after the form has been handed in. Updates include changes in your child's health, emergency contact information, adults permitted to pick up your child, and any other information that would help us in caring for your child.

**Health Care at Camp-** Key team members are trained in CPR and First Aid. A certified life guard will be present during any swim time. In addition, 911, hospital, and clinic services are available as needed with an approximate 20-minute response time.

**Medications at Camp-** Please contact the Day Camp Manager regarding questions or concerns about medications.

**Accident Insurance-** The camp carries a limited accident insurance. If your child needs treatment and you have insurance, your coverage will be applied first. If your policy does not cover the full bill, you should inform us. Our coverage may be able to be applied towards uncovered expenses.

## **Team SCREENING AND TRAINING**

**Team Screening-** Each team member at Spruce Lake Day Camp is carefully screened. We require each summer team member to go through the application process annually, even if previously hired. We review applications, screen confidential references, review employment/education history, and conduct personal interviews. All team members complete the clearances required by PA for working with children.

**Training-** Team members attend a training event that covers both general subjects and subjects specific to their roles. Our general training involves sessions on Health and Safety, Risk Management, Age Group Characteristics, Organizational Mission, Supervision, and more.

## **MONEY AT CAMP**

Day campers may deposit spending money into the "camper bank" (computerized 'bank card' system to record purchases.) The money that you send will be available for your camper to make a purchase at the Spruce Lake Snack Shop, Gift Shop, or Trading Post. Money not spent will be refunded to your account at the end of the summer (can be refunded earlier upon request). If a camper brings cash, he/she will be responsible for keeping track of it.

## **SIGN IN/SIGN OUT**
