Leader reminders

Thank you for coming to spend a weekend with us – we are excited to partner in ministry with you. We wanted to give you expectations for the weekend and information.

Supervision

The kids that came with your group are your responsibility. We know there will be times when you will be with kids from other groups. Let us work as a team to watch and keep all of them safe and having fun

Cell Phones

We would ask for everyone to do their best at keeping phones away and work at being present and engaged with those around them.

General Information

Lights out around 11 pm

Coffee will be available around 6:30 each morning, and if you have kids who are up early feel free to send them up to Mountain View to hang out at that time.

During mealtimes as well as worship please spread yourselves out among the kids to help supervise them.

At mealtimes if you can help keep the kids at the tables until we announce the meal is over that would be helpful. Please remind them to help clean things up before they leave.

If you have any questions or need anything this weekend, please feel free to ask, we want to serve you well while you are with us.
