

# TRUE NORTH ADVENTURE

## SCHOOL TRIP PROGRAM FOR THE 2026-2027 ACADEMIC YEAR

True North Adventure is a faith-based outdoor experience for students of all ages. Each morning you'll gather with other schools for devotions before heading out to your school's self-guided Activity Blocks or an Adventure Programming Activity. In the evening, you'll rejoin other schools for an inspiring message and uplifting time of worship.

With True North, your group can focus on the activities most important to you and can move at your own speed, lingering on areas of interest for your students.

We're revamping our course materials to be simple to use and easy to understand for all learners with the help of customized Guidebooks. The Guidebooks empower your leaders to direct each Activity Block and each activity includes a faith-based debriefing section to connect learning to your student's walk with God.
